

Irish Engineer to Chair European Standards Committee

ETCI is delighted to announce the appointment of Mr. Peter Kelleher, Senior Regulatory Engineer at Dell Inc. Limerick, as the new Chairman of CENELEC TC108X (Safety of Electronic Equipment within the fields of Audio/ Video, Information Technology and Communications Technology).

Peter has been the Chairman of ETCI Committee 11 (which mirrors CLC TC108X and IEC TC108) since 2004. He brings a wealth of standardization experience to his new European leadership role, having been actively involved in IT safety standards development for many years. He has, in particular, contributed to the technical development of IEC Publications 60950-1 and 62368-1 and has participated in a variety of international standards Working Groups and Task Forces.

Peter will chair his first meeting of CENELEC TC108X in Brussels later in the year.

Further information on the standardization work of ETCI TC11 is available from the TC11 Secretary, Mr. Brian Abbott, email: brian.abbott@nsai.ie.
